

National Paint Alliance  
National coverage. Local support.

## What is NPA?

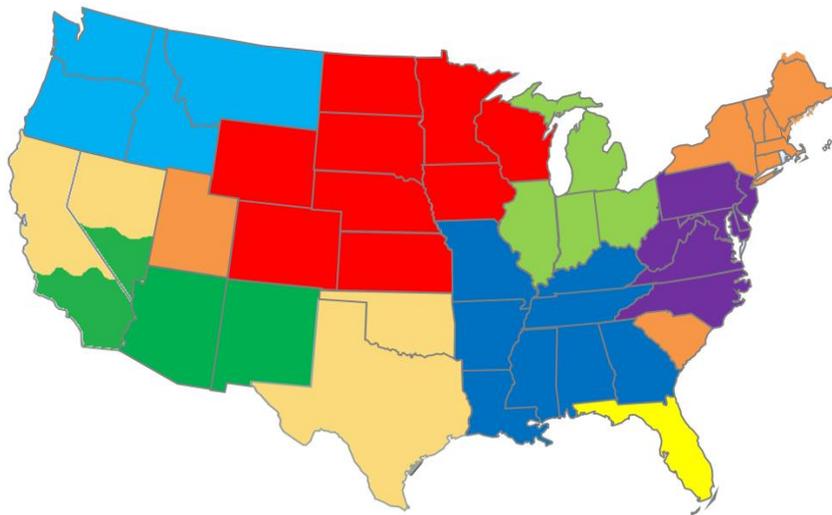

The National Paint Alliance is a group of nine close-knit regional paint manufacturers assembled to service accounts across the U.S. and Canada. We offer uniquely designed programs for customers with a national presence needing a single point of contact.

## Our Members

Over 750 years of combined experience

# NPA member coverage

Canada - Cloverdale  
Alaska - Miller/Cloverdale  
Hawaii - Independent Dealers

## Regional Formulations Matter

We do not live in a “one size fits all” world and that is why the National Paint Alliance provides the best products that deliver the best outcome in any geographical location.

## Color Is Crucial

Color expertise, exact color matches, and 100% color fidelity, along with our superior customer service, is why the National Paint Alliance is the industry leader.

## Exceptional Service

With over 400 sales representatives, 520 retail stores, and 21 manufacturing facilities, the National Paint Alliance connects you to a powerful network of paint experts.
